

HOST HOME INFORMATION

Saturated for students dates: September 13-14

Required Documentation: All host home adults and family members over age 18 are required to submit a Background Check Authorization Form and a new 2019 Adult Medical Release Form. All drivers to host homes must be 21 years of age or older.

Small Group Sessions: Each host home will be provided a small group leader(s) to lead all sessions.

Sleeping Arrangements: Host homes are responsible for providing a sleeping area for students on Friday night, September 13th. Each student does NOT need their own bed. Students will bring their own sleeping bags, pillows and bath towels. If possible, a space separate for the leader(s) is encouraged, but not required.

Meals: Host homes will be responsible for providing breakfast for the group in their home on **Saturday, September 14th**. Meals for Friday night, Saturday lunch, and Saturday dinner will be provided by The Church of Eleven22. Students will be responsible to bring snacks to share while at the host home Friday night.

Transportation: Host homes will need to be prepared to transport their group (**8-12 students**) to and from church activities according to the schedule of events. If you have any friends or family that would like to help transport students, please email us at Students@coe22.com for more information and a member from our student team will let you know the next steps.

House Rules: Host homes are responsible for setting up the "house rules" for the time in your home. Once you arrive to the home on Friday night, it's best to communicate these rules to the small group leader(s) who will help you enforce those things Friday and Saturday. We do ask that you make sure you are clear with students and leaders so we can meet your expectations. Should any incident occur, any damage will be paid for and repaired by the student who is responsible.

Friday Night: Saturated for students begins on Friday night at Baymeadows campus. We will provide dinner on Friday night and following dinner, we will have our first session. Both dinner and the session will conclude around 9pm. At that time, each host home will need to be at Baymeadows campus ready to help students load luggage into the car(s) and transport students to their assigned home for the night.

Saturday Morning: On Saturday morning following breakfast, quiet time, and small group session two, students will need to gather all of their luggage and bring it with them to Baymeadows campus. We will meet together for session two at Baymeadows campus at 10:45am. Following the morning session, students will have lunch together at Baymeadows campus and after lunch, we will head to Main Event in Jacksonville for the afternoon.

Saturday Night: Following Main Event, students will need to be transported to the San Pablo campus for dinner and the live recording of Saturated that night. We will get our seats in the San Pablo campus worship center at 6pm and sit in the student section. Following the service, students will get their luggage at the designated area and head back to their own home for the night.

Sunday Morning: All students, serve staff, drivers, and host-home parents are encouraged to attend the 11:22am service at your home campus. All students will arrive at 10:45am and get seated before doors open.
