CONNECT WITH GOD | CONNECT WITH FAMILY

### *What is Family Camp?*

Family Camp is a multi-generational, four day trip that creates space to **connect with God and connect with family.** It is an investment in your discipleship journey and ONE More Generation that will leave you spiritually fueled!

### *When is Family Camp?*

**June 17-20 OR June 20-23.**

We are offering two identical options for you to choose. Both weeks will be an incredible experience!

### *Where is Family Camp?*

We will spend four days at Epworth By The Sea in **St. Simons Island, GA.** You can learn more about this venue at [epworthbythesea.org](http://epworthbythesea.org).

### *Who can participate?*

The heartbeat of Family Camp is to invest in ONE More Generation for the glory of God, and we need everyone to accomplish this calling. Family Camp is open for anyone a part of the Eleven22 family.

The age range for children is 0-14 (8th grade) years old. High school students (completed grades 9-12) will have the opportunity to serve with the Eleven22 staff.

### *How much does it cost?*

The cost for Family Camp is \$229 for each adult and \$70 for each child (0-14 years old).

### *What is included in the total cost?*

Your final payment includes everything from food, lodging and activities on site at Epworth By The Sea. Transportation to and from Family Camp is not included in final cost.

### *How will lodging work?*

Rooms are hotel style. Multiple rooms will be provided depending on the quantity listed in your online registration form.

### *What does the schedule look like?*

Everything about the Family Camp schedule exists to help our Eleven22 family connect with God and connect with family. Every day there will

be several checkpoints for our family to connect. In the mornings we will offer family group sessions and during the day there will be various recreational opportunities, free time options, meals and evening activities.

There will also be scheduled spaces to invest into your individual growth with **age specific groups.** These can be found in our various breakout sessions that are designed to help equip your family after Family Camp. We will also break evening worship gatherings into age specific groups.

### *What fun activities are available?*

Family Camp will provide a variety of options to have fun together. Come ready to

enjoy the swimming pool, adventure rope course and sports pavilion. In addition, the Eleven22 staff will provide an upbeat and exciting recreation portion of the schedule and various free time options.

### *What should we bring?*

Once registered, a more comprehensive list will be sent through our Family Camp info packet.
