WINTER 2020

Partnering with parents to help children discover and deepen a relationship with Jesus.

*Hello Eleven22 families and welcome to 2020!*

As a staff member here in our multiplication ministry, I have the distinct honor of serving others by helping them discern their roles in the Great Commission primarily through the paths of church planting, global sending and the School of Ministry. Therefore, you can imagine how excited I am about 2020 and our focus on what it means to be "sent!"

As my wife and I navigate what it means and has meant to raise three boys in a culture that constantly challenges our ideas, focus and purpose, we have only grown in our appreciation has

grown for our kids' programs and overall church community since as we know that the raising of our children is a group effort! As we move into 2020, I want to encourage and remind you that both you and your kids are built for a purpose, with a purpose, on purpose! Yes, God calls us to be sent to the ends of the earth and to all the nations. However, we are also called to be sent in our everyday lives - and we are all being equipped to do just that.

Thank you for continuing on this journey with my family and me and I look forward to serving alongside you!

**Ben Annis**  
Director of Multiplication

## *Families,*

I hope you all had a wonderful holiday season with family and friends celebrating the birth of our Savior. With the New Year often comes thoughts of things we can do to create new rhythms within our family.

One resource I would like to introduce you to is the **Justaphase.com** website. This website provides great insight into what our kids may be feeling during each stage of their childhood. The site's goal is to help you understand what to expect and to prepare you for the next phase that your child will go through. I love the books, cards and articles that walk you, as a parent or

guardian, through how to disciple at each stage in a way that will best help and encourage your child. These resources are provided for stages from birth through 12th grade. I encourage you to check it out and also be on the lookout for the Phase Cards, which we will have available for you to pick up in your child's classrooms.

I look forward to walking alongside each of you as we continue to show the kids of Eleven22 what it looks like for God to be the ONE thing that drives everything in every phase of our life.

Blessings,  
**Lori Newell**  
Director of Kids Ministry
