

# NEWGEN NEWS

Partnering with parents to help children discover and deepen a relationship with Jesus.

SPRING 2018

## Hey Parents!

As we dive into a year of deepening our relationship with our Lord, we want to equip you and your family with resources to help. We will continue to have NewGen Connect Hubs at each campus where you can purchase age appropriate Bibles (at cost) that walk hand in hand with the curriculum we use, The Gospel Project. There are also parent resources that have been approved by our NewGen Team to help walk you through discipling your children, and even some resources on answering tough questions your kids may have.

Also, make sure to check out our new take home cards. These cards will have weekly devotions you can do as a family. If you miss one, they will be on our website at [coe22.com/kids](http://coe22.com/kids).

Lastly, I wanted to remind you about the new campus in Arlington that launched in January! If you live in the Arlington area, we would encourage you to go check it out! It is so exciting to see how God is moving in and through the people of Eleven22. We are so humbled and amazed at all He is doing and that we get to be a small part of your child's walk with Christ.

Praying you all have a happy and healthy new year.
