*Partnering with parents to help children discover and deepen a relationship with Jesus.*

SUMMER 2018

*Hey parents!*

My name is Stephen Perry and I am new to the staff here at Eleven22. I have the incredible privilege of serving on our Student Ministry team as the Student Ministry Director. My wife Erin and I moved here about a month ago from the Atlanta area and we are so excited about being a part of all God is doing here.

We're excited that God is moving in the lives of students at Eleven22. If you're a parent of a 7-12 grade student, our hope is for your student to hang out with us Wednesday nights! We meet Wednesdays at 6:22pm at each of our campuses through the end of May and we'll resume in August when school starts back. Our goal is to create an environment specifically for your student that includes:

**FUN** – We have a great time each week.

**FAITH** – We believe teaching the truth of God's word and the redemption story through JESUS is necessary.

**FAMILY** – We want our student ministry to be a place for ALL students to discover and deepen a relationship with Jesus Christ each and every week.

On top of our weekly Wednesday gatherings, we have a few events throughout the year and one of those is coming up!

Summer camp, called FUGE, is coming up July 11-15 and we are PUMPED about all God has in store. This is super personal for me because summer camp is where I began a relationship with Jesus as Lord and Savior and was called into full-time ministry. Parents – please hear me. There is NO BETTER INVESTMENT than sending your student to camp this summer. There is something special that happens when your student intentionally unplugs from everyday distractions and they're in a place to connect with their friends, incredible leaders/staff, and God.

I hope your student will hang out with us on Wednesday nights and you will consider allowing your student to join us for FUGE in July.

Have a great day and I hope to meet you soon!

**Stephen Perry**
