Worship Team Ministry Area Purpose:

We are A MOVEMENT FOR ALL PEOPLE TO DISCOVER AND DEEPEN A RELATIONSHIP WITH JESUS.

MOVEMENT- *We believe that we are a movement that is centered around glorifying God for WHO HE IS and WHAT HE HAS DONE AND The content of our WORSHIP (singing) and WORD (proclamation of the GOSPEL) are focused on this goal (glorifying God).*

ALL PEOPLE – *The worship environments exist to glorify God in such a way that communicates the open invitation of the gospel - all are welcome without discrimination.*

DISCOVER – *Our worship environments provide a “safe place” for people to hear the dangerous gospel and allow everyone to respond to that gospel message.*

DEEPEN – *We believe that in any of our services any Christian is given ample opportunities to grow deeper in their understanding of the gospel through the content of the worship (singing) and proclamation of the word (preaching). Our worship environments provide a crucial element for us as a community to grow in our affection for Jesus.*

RELATIONSHIP WITH JESUS – *The deepening Relationship with Jesus is the primary objective of our worship services. We seek to confront people with the truth of the gospel and the manifest presence of God in a way that is relevant and palatable for all walks of life.*
